[Register here](#) by Wednesday 28 April for the Zoom link and to receive information about what you will need for the walk

## Meet your finger labyrinth walk facilitators:

In addition to her board position at The Labyrinth Society, Janice is currently volunteering her time with **Chicago Lights**, an organization dedicated to supporting and meeting the needs of children, youth and adults who are facing many challenges in Chicago. **Labyrinth workshops, meditation training, peace circles** and work with the **Enneagram** were created to help clients reduce their stress. More than 100 youths from elementary to high school and adults are involved in workshops throughout the year. Janice has earned **Advanced Facilitator Certification with Veriditas**. Janice is also an **Advanced Certified Personality Consultant with the Enneagram** and **certified in the PeaceMaker Circle technique**. In addition to this, Janice is **certified meditation practitioner** in MBSR, Christian, Buddhist, and mindfulness meditation methodologies with **Engaged Mindfulness Institute**. As an owner of 5 labyrinths, Janice is always ready for the next adventure!

**Janice Lewis**

**Louise Mason**

Louise lives in Australia and is a Council Member of the Australian Labyrinth Network. Her current work as a **Learning Designer** evolved from a background spanning many years in **Teaching, Training & Development, Coaching, Resource Development for Professional Practice, and Online Learning Facilitation**. Her degrees in Teaching and Education come from RMIT in Melbourne and Flinders University in Adelaide

For the past twelve years she has been developing a strong interest in the **labyrinth** as a tool for **experiential learning** and much of her current focus is exploring its use in the fields of personal and professional development across education sectors, organizations and community groups. Her **labyrinth work with schools** includes **learning through movement**, social and emotional learning (**SEL**), and making curriculum connections.
